MEDIUM-TO-LARGE IRON CONVERSION KIT

The Hakko 900-CK Conversion Kit converts the Hakko 900M Soldering Iron that uses medium mass (900M) tips into a Hakko 900L that uses large mass (900L) tips.

Conversion Kit comes with:

- 900L-T-3.2D Large Mass Tip
- B1787 Enclosure
- 900L-036 Spring
- B1794 Enclosure Nut
- B1919 Nipple

Note: Compatible with Hakko 900M or 900M-ESD Soldering Iron. For Hakko 907 Irons, use conversion kit 908-CK.
