

BU-P4289**(BNC Male to SMA Female Adapter)**

- The BU-P4289 is a BNC male to SMA female adapter typically used in RF applications. The SMA end of the adapter uses a 1/4-36 UNS-2A thread.
- Material: Body Gold-plated brass
 Contacts Gold-plated beryllium copper
 Insulator PTFE
- Overall length 1.12" (28.50mm), BNC male jack OD = 0.54" (13.8mm)
- Ratings:
 - Impedance: 50 Ohms
 - Voltage: Shield / Contact: 335 VRMS
 Shield / Earth: 30 VAC
 - Frequency: 12.4 GHz MAX
 - Temperature: -50°C to 170°C
- RoHS compliant
