

Accessories

Internal enclosure fan

Distribution of cold air inside the control cabinet

Product	Article number
PEF 180 mounting bracket 230V	1811000000
PEF 180 mounting bracket 115V	1811000001
PEF 180 mounting bracket 24V DC	1811000002

External condensate evaporation system 230 V 50 Hz / 60 Hz

External condensate evaporator for the accumulated condensed water

Suitable for ...	Article number
all units	1831400001

Condensate bottle

External container for collecting the accumulating condensed water

Suitable for ...	Article number
all units	18314000100

Device-side water connection with G 3/8" internal thread

variable connection possibilities:

- e.g.
- hose nozzle 3/8" x 12 with o-ring
 - double nipple 3/8"
 - quick-coupling 12 mm
 - quick-coupling 10 mm
- etc.

Suitable for ...	Article number
all heat exchangers	on request
